

REMARKS

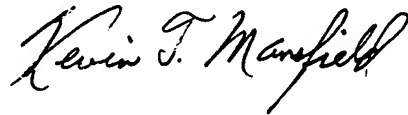

Claims 22-33, 35 and 37 are pending in this application, claims 34, 36 and 38 having been currently cancelled.

Responsive to the restriction requirement set forth in the Office action, applicants elect the method of use claims of group I, claims 22-29, for examination. This election is made without traverse. Non-elected claims 34, 36 and 38 have therefore been cancelled without prejudice to applicants' rights to file subsequent divisional applications to the non-elected subject matter. Inventorship is unchanged.

Claims 30-33, 35 and 37 have been rewritten as method of use claims dependent on claim 22. Hence claims 22-33, 35 and 37 are presented for consideration on the merits.

Applicants submit that the present application is in condition for allowance. In the event that minor amendments will further prosecution, Applicants request that the examiner contact the undersigned representative.

Respectfully submitted,
